Ahmedabad

## PROFILE SUMMARY

Aspiring Full-Stack Developer with a strong foundation in frontend and backend technologies, currently pursuing B.Tech in Computer Science Engineering at Rai University. Proficient in HTML, CSS, JavaScript, React, Node.js, Express.js, and MongoDB, with hands-on experience in UI/UX design using Figma. Passionate about problem-solving with a beginner-level understanding of Data Structures & Algorithms (DSA). Currently working on Eventura—an event management website, applying full-stack development skills. A high-achieving student (9.62 CGPA) with a keen interest in building scalable and user-friendly applications.
